

Aquatec Maxcon is pleased to announce that it has executed an exclusive agreement with Fluence to promote and sell Smart Packaged Aspiral™ MABR-based solutions in Australia.

AQM's Managing Director, Peter Ferrando commented, *"We're excited to offer Fluence's Aspiral™ family of leading wastewater treatment solutions throughout Australia as we look to continue to provide our customers with the most innovative options to solve their wastewater challenges."*

FLUENCE PROVIDES A RANGE OF PRODUCT SOLUTIONS, INCLUDING ASPIRAL™, NIROBOX™ and SUBRE.

Commenting on the agreement, Fluence Managing Director & CEO Henry Charrabé said: *"We're pleased to partner with AQM to roll out the Aspiral Smart Packaged family of solutions in Australia, further expanding the global footprint of our Smart Products Solutions. With its extensive network and capabilities, AQM is the ideal distribution partner for Fluence's innovative MABR-based wastewater solutions."*

Fluence and AQM presented together at the Water Industry Operators of Australia conference, April 3-4, held in Orange, New South Wales. Both companies will also participate in the annual 2019 OzWater Exhibition being held May 7-9 in Melbourne, Victoria.
